Beautiful and refined to the smallest detail. Functional and contemporary, a city bike that rides good and looks great. But still Le Grand is more than just a bicycle, it is a lifestyle. It's #bikecitylife.

The Le Grand brand offers stylish city bicycles made for city cycle routes and suburban paths. Everyone can find a bicycle for themselves: retro bikes in a timeless design, elegant and practical bikes for every occasion and unforgettable first bicycles for kids. All bicycles are designed in Poland by KROSS constructors and experts.

In addition to the traditional collection, electric bicycle fans can also enjoy the look and feel of a Le Grand ride. In the Le Grand bicycle collection for 2019, there are as many as three ebike models in the Electric series, which are characterized by a unique frame and style. What's more, unique bikes can be complemented with beautiful accessories, in various materials and colors.

electric

*Electricity
in one finger.*

WOULD YOU LIKE TO GET FASTER TO YOUR DESTINATION?

Now you can do longer distances in shorter period of time. We know how important it is in the busy world. Daily commuting or weekend trip outside of the city will no longer be a problem!

DO YOU WALK SOMETIMES WITH YOUR BIKE?

Thanks to Walk Boost system walking with your bicycle will be more effective, you can spend on other activities!

WOULD YOU LIKE TO BE ALWAYS NUMBER ONE?

Thanks to perfect acceleration, efficient start after stopping won't cause any difficulties. Pole position from lights guaranteed!

BAD WEATHER?

Rain won't bother your plans, thanks to waterproof display. You'll get wet only a little bit because you'll reach quickly your goal!

DO YOU COMMUTE TO WORK?

Stay fresh, full of Energy before intense day in the office. Don't waste time in the traffic and take care of the environment!

DO YOU PREFER FLAT COURSES RATHER THAN DRIVEAWAYS?

Now everything seems flat, any driveway won't be a problem!

WOULD LIKE TO SPEND WEEKEND OUTSIDE THE TOWN?

Even a long distance trip won't be a problem! Enjoy the views and beautiful weather and all of these with minimal fatigue!

Meet our electric innovation! E-engine supported bicycle that makes pedaling easy, yet still demands you to push the pedals if you want to move forward. **ELILLE 3** is supported with a Bafang Max Drive 250 Watts engine, located centrally. The Bafang 43V/10,4Ah battery attached to the rack takes approx. 6,5h to charge and it will allow you to ride for around 100 km. Control panel attached to the steering will allow you to choose from 5 different modes of support and will inform you about the battery level. Additionally the panel will show you information about your ride, like speed, distance, support level, etc.

Discover the **LILLE 7**, the highest model among women's **utility** line. It's a typical inhabitant of a big city: busy, constantly at high speeds but always dashing with its modern design. Comfort is a priority for the **LILLE 7**. Curbs, speed bumps and potholes are no longer an issue thanks to its front suspension and the cushioned seat post. Efficiency is crucial for #bikecitylife which is why the **LILLE 7** can be fitted with a large basket and panniers to carry all necessary items. Travel to work, go shopping, have a picnic with friends, everything is possible with the Lille.

The **VIRGINIA 3** is the queen of all Le Grands. It is the highest model from the **originals** line. Its classical design mixed with a contemporary flair makes it a true eye catcher. The traditional rear wheel cover to prevent skirts and dresses from getting tangled in the wheel is practical and stylish at the same time. Original hand made leather Brook saddles and grips from London, finish off the **VIRGINIA** with class and add character. The attention to detail is supreme with no compromises made.

| Weight | 189 g |

DING-DONG

Indispensable for each cyclist. This minimalistic bell will keep both you and other road users safe. Fits all bike handlebars.

| | |
|----------|--------------------|
| Material | Aluminium, plastic |
| Diameter | 40 mm |
| Weight | 17 g |

BRASS CYMBAL

Brass is the new gold! A stylish bell made of durable, high quality brass will alert pedestrians of your approach. Combine it with retro panniers, a classic saddle and time travel to the past. Fits all bike handlebars.

| | |
|----------|-------|
| Material | Brass |
| Diameter | 55 mm |
| Weight | 84 g |

MUDFLAPS

This classic durable rubber mud flap protects the bike and cyclist from flying mud and dirt. It will make your bike look classy and stylish.

| | |
|-----------|--------------------------------|
| Material | Rubber |
| Fastening | To the fender, with two screws |

BOW

Everyone will love these. Dress up any bike, new or old and it will look special with these streamers. The streamers are simply inserted into the handlebars of most bicycles.

| | |
|----------|-----------|
| Material | Polyester |
|----------|-----------|

RAINBOW

The Rainbow Windmill is perfect for accessorising every bike! This cute windmill will spin when you keep going on your bike, providing a touch of magic to your ride.

| | |
|----------|---------|
| Material | Plastic |
|----------|---------|

CHARM

With an eye-catching valve caps you can easily pimp-up your bike. Choose romantic hearts or shiny dices! They will be perfect for schrader valves. Set of two.

| | |
|------|-----------------------|
| Fits | AUTO / Schrader valve |
